

Please Donate - *You can make a difference.*

Pencils for Kids is a charitable grass roots organization that believes in the power of small scale projects that lift children from poverty through education one community at a time. Here's how you can help:

Buy pencils! \$20

...buys enough pencils to supply an entire class for the year or more!

Go book crazy! \$30

...without the academic books, students cannot learn. Help purchase a set of text books for each student for one year of study. These books can then be recycled for future years! Each set is comprised of at least 5 text books in the following subjects: math, science, French, history and geography.

Fill a library! \$60

...purchases 20 books for a library and helps fill the empty shelves!

Supply school materials! \$75

...imagine a class without paper, rulers, geometry sets, erasers, sharpeners, pens, notebooks, chalk, maps and more... help create change and buy the gift of supplies for students!

Build a desk! \$100

...builds a new locally-made desk for students to share in their class!

OR Dream bigger...and Sponsor a Project!

Your support or your company's sponsorship will make an enormous impact on the future of small communities and help build an emerging generation of global leaders, leaders who understand the value of education. Choose where your money goes, or talk to us about where the need is greatest at this moment:

Build a School \$36,000

Without a place to learn and protection from the elements, children cannot be expected to study. With so few schools in many parts of the world, the most important thing is to continue to build and furnish educational structures for students of all levels. By building a school you are adopting a community and enabling hundreds of students to fulfil their dreams and make their mark on the world. Each school is comprised of 3 classrooms. If your company cannot build a whole school, partner with two others and provide one classroom each at **\$12,000**.

Furnish a school:

- A Library full of books - **\$1,500 provides a least 500 books!**
- Buy academic textbooks for a school of 100 students- **\$3,000!**
- Locally-made Desks for an entire school - **\$7500!**

Pencils for Kids works closely with local Communities and Partners in order to ascertain the needs of the students and teachers. Funds raised through this campaign by Pencils for Kids go directly to the community.

Thank you for your time and generosity
